

Synopsis of Proceedings 1990 to 1999

Quality Inspection - International

**ERGEBNISPROTOKOLL DER
16. GEISENHEIMER TAGUNG**

12.-15.02.1990

**PROCEEDINGS OF THE
16th GEISENHEIM MEETING**

**Aus- und Fortbildung
der Qualitätskontrolleure für Obst, Gemüse und Speisekartoffeln**

**Training course for quality inspectors
for fruit, vegetables and ware potatoes**

Veranstalter / Organisers:

**Hessisches Landesamt für Ernährung, Landwirtschaft und
Landentwicklung, Abteilung Ernährung, Frankfurt am Main**

**Bundesamt für Ernährung und Forstwirtschaft, Referat 31
Qualitätsnormen und Handelsklassen, Frankfurt am Main**

TABLE OF CONTENTS

Page	1	Welcoming address
	6	EC quality policy – actual legislation and perspectives
	14	Production, preparation and marketing of kiwifruit - explanatory notes on the marketing standard
	41	Determination of ripeness in kiwifruit
	58	Principles of ripening in climactric and non climactric fruit
	65	Methods to determine the ripeness of pip fruit
	76	Product plus packaging = unit ?
	83	Quality characteristics of different types of fruit to harmonise the quality inspection
	92	Practical inspection – assessment of selected samples
	95	Significance of EEC, OECD and national marketing standards
	99	List of participants

Editors: LD Gert Pingel, HLELL, Frankfurt/Main
Hans-Georg Levin, BEF, Frankfurt/Main

**ERGEBNISPROTOKOLL DER
17. GEISENHEIMER TAGUNG**

25.-28.02.1991

**PROCEEDINGS OF THE
17th GEISENHEIM MEETING**

**Aus- und Fortbildung
der Qualitätskontrolleure für Obst, Gemüse und Speisekartoffeln**

**Training course for quality inspectors
for fruit, vegetables and ware potatoes**

Veranstalter / Organisers:

**Hessisches Landesamt für Ernährung, Landwirtschaft und
Landentwicklung, Abteilung Ernährung, Frankfurt am Main**

**Bundesamt für Ernährung und Forstwirtschaft, Referat 31
Qualitätsnormen und Handelsklassen, Frankfurt am Main**

TABLE OF CONTENTS

Page	5	Welcoming address
	16	Aims and realities of quality control
	25	The inner quality of stone fruit
	31	Contents of determining the quality of stone fruit
	35	Results of storage experiments with plums
	44	The quality of peaches and nectarines in France – in the orchard
	50	The quality of peaches and nectarines in France – the maintenance of peach quality by means of the cold chain
	58	The quality of peaches and nectarines in France – the control of quality and commercialisation
	76	The quality of nectarines in Italy
	89	Valaisan apricots – a model for the commercialisation of fully ripe fruits
	92	Quality aspects in mango
	107	EC quality standards for peaches, nectarines and apricots
	118	EC quality standards for cherries and plums
	125	Illustration of quality criteria for a harmonization of quality control
	134	Pip fruit as an example for quality produce from integrated cultivation
	138	Practical inspection – assessment of selected samples
	146	Illustration of the OECD quality standard for mangos
	161	Criteria for the development and ripeness of pip fruit
	167	List of participants

Editors: LD Gert Pingel, HLELL, Frankfurt/Main
Hans-Georg Levin, BEF, Frankfurt/Main

Translation: Jutta Himmelreich, BEF, Frankfurt/Main

**ERGEBNISPROTOKOLL DER
18. GEISENHEIMER TAGUNG**

10.-13.03.1992

**PROCEEDINGS OF THE
18th GEISENHEIM MEETING**

**Aus- und Fortbildung
der Qualitätskontrolleure für Obst, Gemüse und Speisekartoffeln**

**Training course for quality inspectors
for fruit, vegetables and ware potatoes**

Veranstalter / Organisers:

**Hessisches Landesamt für Ernährung, Landwirtschaft und
Landentwicklung, Abteilung Ernährung, Frankfurt am Main**

**Bundesamt für Ernährung und Forstwirtschaft, Referat 31
Qualitätsnormen und Handelsklassen, Frankfurt am Main**

TABLE OF CONTENTS

Page	5	Welcoming address
	18	Ordinance of package waste – its realization in the fruit and vegetable trade
	29	The asparagus market in Europe
	40	Explanation of the asparagus definition in the EC quality standard
	49	Production of quality asparagus in Germany
	67	Production of quality asparagus in France
	76	Quality preservation of asparagus – scientific aspects
	82	Explanations on the EC quality standard for asparagus
	88	Preparation of asparagus for the market
	94	Quality control for the promotion of asparagus
	107	The EC regulation on organic production – legislator’s point of view
	115	The EC regulation on organic production – practical point of view
	122	Production and marketing of broccoli in Germany
	135	Production and marketing of broccoli in Italy
	140	Explanations on the UNE/ECE recommendation for broccoli
	147	Exotic fruit
	154	Quality control in the single market – panel discussion
	162	Practical inspection, assessment of asparagus
	163	Practical inspection, assessment of selected samples
	165	List of foreign language terms for produce falling under international standards
	169	List of participants

Editors: LD Gert Pingel, HLELL, Frankfurt/Main
Hans-Georg Levin, BEF, Frankfurt/Main

Translation: Jutta Himmelreich, BEF, Frankfurt/Main

**ERGEBNISPROTOKOLL DER
19. GEISENHEIMER TAGUNG**

08.-11.02.1993

**PROCEEDINGS OF THE
19th GEISENHEIM MEETING**

**Aus- und Fortbildung
der Qualitätskontrolleure für Obst, Gemüse und Speisekartoffeln**

**Training course for quality inspectors
for fruit, vegetables and ware potatoes**

Veranstalter / Organisers:

**Hessisches Landesamt für Regionalentwicklung und Landwirtschaft,
Dezernat 29/114, Frankfurt am Main**

**Bundesamt für Ernährung und Forstwirtschaft, Referat 31
Qualitätsnormen und Handelsklassen, Frankfurt am Main**

TABLE OF CONTENTS

Page	5	Welcoming address
	12	Quality assurance systems within the inspection of foodstuffs
	18	Brand articles in the single market
	26	Quality control in the single market
	35	Quality standards – a farmers view
	45	Regulation (EEC) No. 2251/92, articles 2 and 3

Translation: Jutta Himmelreich, BEF, Frankfurt/Main

**ERGEBNISPROTOKOLL DER
20. GEISENHEIMER TAGUNG**

13. - 16.03.1995

**PROCEEDINGS OF THE
20th GEISENHEIM MEETING**

**Internationale Aus- und Fortbildungsveranstaltung
der Qualitätskontrolleure für Obst, Gemüse und Speisekartoffeln**

**International training course for quality inspectors
for fruit, vegetables and ware potatoes**

Veranstalter / Organisers:

**Hessisches Landesamt für Regionalentwicklung und Landwirtschaft
Dezernat 29/114, Wetzlar**

**Bundesanstalt für Landwirtschaft und Ernährung,
Referat 323 - Qualitätskontrolle, Qualitätsnormen, Frankfurt am Main**

TABLE OF CONTENTS

Page	64	Welcoming address
	66	Reform of the market organisation for fruit and vegetables
	70	Panel discussion: Do we need quality standards and an official quality control ?
	73	Market organisation for bananas
	78	Cultivation of bananas in the European Community
	82	EC quality standard for bananas
	85	New products on the market - evaluation in accordance with quality standards -
	87	Ecological fruit production in Bolivia - quality through consulting -
	91	Quality control in organic production of agricultural products - in accordance with regulation (EEC) no. 2092/91 -
	94	Citrus varieties of the world
	99	Critical factors for quality of citrus fruit
	102	Professional degreening of citrus fruit
	106	Assessment of internal and external defects of citrus fruit
	112	EC quality standard for citrus fruit
	116	Inspection practice - quality control of selected samples
	118	The internal quality of citrus fruit - determination of juice content and sugar-acid-ratio -
	122	Quality control at destination point
	124	Training of US inspectors by means of visual aids
	127	List of participants

Editors: Dr. Ulrike Bickelmann, Hans-Georg Levin, BLE, Frankfurt/Main
LD Gert Pingel, HLRL, Wetzlar

Translation: Jutta Himmelreich, Gertraud Plassmann, BLE, Frankfurt/Main

ERGEBNISPROTOKOLL DER 21. GEISENHEIMER TAGUNG

24. – 26. Februar 1997

PROCEEDINGS OF THE 21st GEISENHEIM MEETING

**Internationale Aus- und Fortbildungsveranstaltung
der Qualitätskontrolleure für Obst, Gemüse und Speisekartoffeln**

**International training course for quality inspectors
for fruit, vegetables and ware potatoes**

Veranstalter / Organizers:

**Hessisches Landesamt für Regionalentwicklung und Landwirtschaft
Dezernat 29/114, Wetzlar**

**Bundesanstalt für Landwirtschaft und Ernährung,
Referat 323 - Qualitätskontrolle, Qualitätsnormen, Frankfurt am Main**

TABLE OF CONTENTS

Page	68	Message of greeting
	70	On the economic importance of tomatoes
	72	Guaranteed quality from the producer to the consumer
	73	Production of quality tomatoes in the Netherlands
	77	Genetic engineering in the food sector applied to tomatoes
	91	Aspects of tomato flavour
	95	EC quality standard for tomatoes
	99	On the economic importance of table grapes
	101	The production of table grapes (South Africa)
	107	The production of table grapes (USA)
	109	EC quality standard for table grapes
	113	Standardization work in Brussels
	118	Banana market organization – banana licences: changes and trends after the first 3 years
	123	Quality control for bananas
	126	List of participants

Editors: Dr. Ulrike Bickelmann, Hans-Georg Levin, BLE, Frankfurt/Main
LD Gert Pingel, HLRL, Wetzlar

Translation: Jutta Himmelreich, BLE, Frankfurt/Main

ERGEBNISPROTOKOLL DER 22. GEISENHEIMER TAGUNG

22. – 24. Februar 1999

PROCEEDINGS OF THE 22nd GEISENHEIM MEETING

**Internationale Aus- und Fortbildungsveranstaltung
der Qualitätskontrolleure für Obst, Gemüse und Speisekartoffeln**

**International training course for quality inspectors
for fruit, vegetables and ware potatoes**

Veranstalter / Organizers:

**Hessisches Landesamt für Regionalentwicklung und Landwirtschaft
Dezernat 29/114, Wetzlar**

**Bundesanstalt für Landwirtschaft und Ernährung,
Referat 323 - Qualitätskontrolle, Qualitätsnormen, Frankfurt am Main**

TABLE OF CONTENTS

Page	1	Opening address
	2	Damage Free Quality Control – Update and Perspectives
	4	Recognizing the gustative quality of fruits
	8	Quality Conservation for Products Susceptible to Wilting
	12	Factors influencing development and Ripeness of plum and German prune varieties
	17	EC Quality standard for plums
	20	Results of sample assessment
	21	New Media in Quality Control
	22	The use of personal computers in the Ministry of Agriculture, Fisheries and Food (MAFF) in the United Kingdom
	24	New Media in Quality Control - The Atlanta Group Homepage
	25	Minimum size and grading: market transparency or barriers to trade?
	28	Checks on Conformity of Bananas
	30	Experiences with the Exemption of Bananas from Checks on Conformity
	32	The Taste of Fruits and Vegetables
	34	Standard interpretation and quality Control - Answers to questions asked by control services
	42	Information on Centralny Inspektorat Standaryzacji (CIS) Polish Agricultural and Food Quality Inspection
